

Lolita table lamp

by Nika Zupanc

Who is afraid of pink? My imagination chases female archetypes intentionally. Frivolous, even naive objects are my favorite victims. And when, during such a process, I manage to be creative in an evidently reserved way, I then touch the purest meaning of my work and frivolity becomes timeless elegance. Lolita is here to play with your emotions. She is here to break your everyday routine.

Designer

detailing

The Lolita shade is characterized by a dainty polka dot edge.
Inside the Lolita shade lies a warm white glow.
